

DHL 2-MANN-HANDLING MULTI-HUB NETWORK: SITE LANDSBERG

Our Landsberg hub* is strategically located in eastern Germany and, as a cross-dock location, enables same-day handling for your e-commerce business, with particularly good connections to Eastern Europe. The start of operations in our network started in February 2023 and, alongside the central DHL 2-Mann-Handling hub in Ludwigsau, will provide additional shipment capacity.

THE DHL 2-MANN-HANDLING MULTI-HUB-NETWORK
